Dear Pedro,

I confirm that the 2023 Global Forum plenary meeting will take place in Lisbon from Wednesday 29 November to Friday 1 December, at the CCL. The morning sessions of the 29 November will be broadcast live on our website and open to the media at the CCL. We can discuss the details closer to the date, in case you are interested in attending. Please feel free to contact me.

[Last year's plenary](#), was held in Seville, Spain, and gathered over 350 participants from close to 120 jurisdictions and 16 international organisations. We are aiming for similar figures this year, but it is too early to confirm how many participants will join us in Lisbon and/or how many jurisdictions will be represented.

Kind regards,
